## About ALIVE Rescue & The Big Barn

ALIVE Rescue’s mission is to serve abused, homeless and unwanted animals in the Chicagoland area. We provide food, housing and veterinary care for all of the dogs, cats, and rabbits that we rescue from kill facilities and the streets. ALIVE Rescue receives no state funds for these services and relies on contributions and fundraising events to continue this vital work.

Your sponsorship will help us build The Big Barn in Salem, Wisconsin and open our doors in 2019. The Big Barn will serve as an additional location for ALIVE Rescue, allowing us to triple the number of animals we save each year. This second location will house approximately 30 animals at any given time including nursing/pregnant moms, heartworm positive dogs, shy dogs, seniors, medical cases, and abused and abandoned dogs (see floor plan below). The Big Barn is situated on 70 acres and is just 1 hour North of Chicago.
